RAJENDRA NAGAR**

SYLLABUS FOR K.G.

SESSION: 2018-2019

NAME _____

PREFACE

The **Salwan Education Trust** in keeping with the spirit of the National Curriculum Framework (NCF) 2005, endeavours to groom lifelong learners empowered with 21st century skills, knowledge and wisdom through well-rounded education that focuses on linking the child's experiences at school with the immediate environment.

Syllabus is an important defining tool that determines the achievement of the learning objectives and the attainment of the expected learning outcomes. Flexibility in curriculum delivery is desirable, yet we cannot undermine the significance of a prescribed **syllabus booklet**. The curriculum provides an overview to the parents about their child's learning at school.

Following are a few **guidelines** for parents:-

a. Day- to- Day Monitoring and Supervision of

- Academic Progress
- Regular Feedback from the Teachers and the Ward
- Class Assignments and Home Assignments
- Well-Structured Study Schedule at Home
- Activity Calendar

b. Familiarization with Assessment /Examination Design

Throughout the academic year the school will conduct a series of periodic tests and gradually prepare the students to acquire confidence and skills required to appear for formal examination in future. The examination design aims at arousing curiosity, enhancing creativity and sharpening the ability of learners to apply the knowledge and skills to real-life situations.
